Hello! My name is Ms. Bri and I am so excited for the opportunity to paint with you. I am the owner and operator of Grape Escape. I have taught virtual and in-person classes for over 3 years. I love to encourage participants and witness them develop confidence in their abilities, especially newcomers.

I have a very unconventional life path. I graduated from the University of Missouri with a BS in Animal Science. I have worked with lions, tigers, and bears!

Currently, I am an EMT for Bell Ambulance in Milwaukee, Wisconsin. I am also a certified doula and scuba diver.
